Please indicate how all members of the chapter are involved in the chapter leadership process (i.e. every chapter member is required to be a member of a committee or that every member helps to plan a chapter project or event). Discuss or provide examples how this policy helps to promote or improve the leadership skills of chapter members: (attach additional pages if necessary)

Region I Leadership Award

The chapter shall perform a Chapter Assessment and Planning Session (CAPS) at least once a year. Attach a copy of the latest Chapter Assessment & Planning Session Report Form. Discuss how the CAPS session affects the leadership goals of the chapter: (attach additional pages if necessary)

Region I Leadership Award

Give specific examples of how the chapter uses an officer transition program each year or each semester:
(attach additional pages if necessary)

Region I Leadership Award

If available, give specific examples of individual brothers that are active with other organizations on campus or within the community. Documentation of membership and discussion of pertinent activities should be a part of the award submission: (attach additional pages if necessary)

Region I Leadership Award

Include a list of all members that have participated in the APO LEADS program and courses and locations of this training from the last two years. Discuss what your chapter or individual brothers have learned from these programs and how this content is implemented into your chapter leadership program: (attach additional pages if necessary)

Region I Leadership Award

Discuss other APO related leadership training courses or activities and how they benefit individual brothers or the chapter as a whole: (attach additional pages if necessary)

Region I Leadership Award

If available, give specific examples of brothers participating in leadership training outside of the APO community (i.e. campus or community leadership programs). Discuss how this additional leadership training is benefiting the chapter, campus, or community: (attach additional pages if necessary)

Region I Leadership Award

The creation and implementation of a program of leadership extension outside of the Fraternity is considered in the selection (i.e. developing leadership programs for other groups). Discuss these extension efforts, their implementation and effects: (attach additional pages if necessary)

Region I Leadership Award

Summarize any other relevant leadership initiatives and their benefits to the chapter: (attach additional pages if necessary)
